

course guide by majors for Transferring to HSU from College of the Redwoods

2011-12

Lower division major courses that have been articulated are listed below. In addition, there may be other required lower division major courses that must be completed at Humboldt State University (see Humboldt's Catalog). Students wishing to maximize their time at College of the Redwoods (CR) should follow this guide and also complete the CSU transfer general education requirements at CR.

Early Childhood CAP (Curriculum Alignment Project) Transfer Option

The Early Childhood CAP Transfer Option is designed to facilitate transfer for students who have completed a CA Curriculum Alignment Project (CAP) approved, 24-unit early childhood transfer package at a California Community College. Students transferring into the Child Development program with this approved 24-unit package should follow the plan of study as outlined in the HSU catalog to complete the Child Development major at Humboldt. This option can readily be completed within two years of full-time study if lower division general education coursework is also complete.

Currently, a course comparable to HSU CD 211 is not offered at College of the Redwoods.

Note: Three units of child growth and development (at HSU the lower division child growth and development courses are CD 253, CD 255, CD 256) and 3 - 4 units for the first practicum (at HSU the lower division practicum course is CD 257) are covered by the transfer package.

CAP-Approved Transfer Package (18 units). Includes curriculum; principles and practices of teaching young children: child, family and community; child health, safety and nutrition; teaching in a diverse society; observation and assessment.

**LIBERAL STUDIES
ELEMENTARY EDUCATION**

Students must earn a minimum grade of C in all major requirements.

Complete lower division general education and the following:

CD 256 ECE 2
