

FEES & FINANCIAL AID

CSU Funding

Average Support Cost Per Full-Time Equivalent Student and Sources of Funds:

The total support cost per full-time equivalent student (FTES) includes the expenditures for current operations, including payments made to students in the form of financial aid, and all fully reimbursed programs contained in state appropriations. The average support cost is determined by dividing the total cost by the number of FTES. The total CSU 2011-12 budget amounts were \$2,141,273,000 from state General Fund (GF) appropriations (not including capital outlay funding) and before minus \$38.5 million CalPERS retirement adjustment, \$1,530,946,000 from tuition fee revenue net of financial aid (forgone revenue), and \$340,440,000 from other fee revenues for a total of \$4,012,659,000. The number of 2011-12 budgeted FTES is 331,716 resident and 13,572 non-resident students. The GF appropriation is applicable to resident students only whereas fee revenues are collected from resident and nonresident students. FTES is determined by dividing the total academic student load by 15 units per term (the figure used here to define a full-time student's academic load). The 2011-12 average support cost per FTES based on GF appropriation and net tuition fee revenue only is \$10,889 and when including all sources as indicated below is \$11,875. Of this amount, the average net tuition fee revenue and other income per FTES is \$5,420, which includes all fee revenue in the CSU Operating Fund (e.g. tuition fees, application fees, and other campus mandatory fees).

Fees

The **registration fee** includes: the student body association fee; student body center fee;

health facilities fee; instructionally-related activities fee; student health and counseling fee; materials, services, and facilities fee; the tuition fee; and other course-related fees, as determined by the department.

Students who are residents of states other than California, or nonresident students from other countries, must pay nonresident tuition fees in addition to the registration fee. Students auditing a class still pay regular fees.

Credit Cards. MasterCard, Discover, and American Express credit cards may be used to pay fees through a third party vendor via the web or your student account. Payments may also be sent directly to the HSU Cashier's Office.

Fee Waivers. The California Education Code includes provisions for the waiver of mandatory systemwide fees as follows:

Section 66025.3 - Qualifying children, spouses/registered domestic partners, or unmarried surviving spouses/registered domestic partners of a war period veteran of the U.S. military who is totally service-connected disabled or who died as a result of service-related causes; children of any veteran of the U.S. military who has a service-connected disability, was killed in action, or died of a service-connected disability and meets specified income provisions; any dependents or surviving spouse/registered domestic partner who has not remarried of a member of the California National Guard who in the line of duty and in active service of the state was killed or became permanently disabled or died of a disability as a result of an event while in active service of the state; and undergraduate students who are the recipient of or the child of a recipient of a Congressional Medal of Honor and meet certain age and income restrictions;

Section 68120 - Qualifying children and surviving spouses/registered domestic partners of deceased public law enforcement or fire suppression employees who were California residents and who were killed in the course of active law enforcement or fire suppression duties (referred to as Alan Pattee Scholarships); and

Section 68121 - Qualifying students enrolled in an undergraduate program who are the surviving dependent of any individual killed in the September 11, 2001 terrorist attacks on the World Trade Center in New York City, the Pentagon building in Washington, D.C., or the crash of United Airlines Flight 93 in southwestern Pennsylvania, if the student meets the financial need requirements set forth in Section 69432.7 for the Cal Grant A Program and either the surviving dependent or the individual killed in the attacks was a resident of California on September 11, 2001. Students who may qualify for these benefits should contact the Admissions/Registrar's Office for further information and/or an eligibility determination.

Section 38130.5 - Qualifying nonresident students exempt from paying nonresident tuition, such as, nonresident student with: high school attendance in California for three or more years; graduation from a California high school or attainment of equivalent; registration as an entering student at, or current enrollment at, and accredited institution of higher education in California not earlier than the fall semester or quarter of the 2001-02 academic year; in the case of a person without lawful immigration status, the filing of an affidavit with the institution of higher education stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

¹ Represents state GF appropriation in the Budget Act of 2011-12; GF is divisible by resident students only (331,317 FTES).

² Represents CSU Operating Fund, Tuition Fee and other fees revenue amounts (net of foregone revenue) submitted in campus 2011-12 final budgets. Revenues are divisible by resident and nonresident students (345,288 FTES).

The average CSU 2011-12 academic year, resident, undergraduate student basic tuition fee and other mandatory fees required to apply to, enroll in, or attend the university is \$6,519 (\$5,472 tuition fee plus \$1,047 average campus-based fees). However, the costs paid by individual students will vary depending on campus, program, and whether a student is part-time, full-time, resident, or nonresident.

NOTE: The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate.

Campus-Based Mandatory Fees. The law governing the California State University provides that fees defined as mandatory, such as a student body association fee and a student body center fee, may be established. A student body association fee must be established upon a favorable vote of two-thirds of the students voting in an election held for this purpose (Education Code, Section 89300). The campus President may adjust the student body association fee only after the fee adjustment has been approved by a majority of students voting in a referendum established for that purpose. The required fee shall be subject to referendum at any time upon the presentation of a petition to the campus President containing the signatures of 10 percent of the regularly enrolled students at the University. Student body association fees support a variety of cultural and recreational programs, childcare centers, and special student support programs. A student body center fee may be established only after a fee referendum is held which approves by a two-thirds favorable vote the establishment of the fee (Education Code, Section 89304). Once bonds are issued, authority to set and adjust student body center fees is governed

by provisions of the State University Revenue Bond Act of 1947, including, but not limited to, Education Code sections 90012, 90027, and 90068.

The process to establish and adjust other campus-based mandatory fees requires consideration by the campus fee advisory committee and a student referendum. The campus President may use alternate consultation mechanisms if he/she determines that a referendum is not the best mechanism to achieve appropriate and meaningful consultation. Results of the referendum and the fee committee review are advisory to the campus President. The President may adjust campus-based mandatory fees but must request the Chancellor to establish a new mandatory fee. The President shall provide to the fee advisory committee a report of all campus-based mandatory fees. The campus shall report annually to the Chancellor a complete inventory of all campus-based mandatory fees.

For more information or questions, please contact the Budget Office in the CSU Chancellor's Office at 562-951-4560.

Materials, Services, and Facilities Fees. Students pay additional fees for courses with

activities such as field trips. Some courses require insurance (certain music courses, for example). The current semester class schedule has fee information; available online at www.humboldt.edu/oa/classes.shtml.

Veterans Administration Educational Benefits. Veterans, dependents of deceased or disabled veterans, and reservists are eligible for VA educational benefits. Please contact your local Veterans Service Office or the Department of Veterans Affairs, 800-827-1000.

California Department of Veterans Affairs Fee Waiver. Many spouses and dependents of service connected deceased or disabled veterans are eligible for a Cal Vet Fee Waiver. This is a partial waiver of registration fees at any CSU, UC, or California community college through the California Department of Veterans Affairs. (Eligibility is established by any County Veterans Service Office.) Financial aid recipients must report to the HSU Financial Aid Office any fee waiver received.

To find out which veterans benefits program you may be eligible for, and to obtain information and forms, contact Veterans Enrollment

& Transition Services (LL 58; 707-826-6272) at least two months before the term you plan to attend.

Debts & Refunds

Fees and Debts Owed to the Institution.

Should a student or former student fail to pay a fee or a debt owed to Humboldt State, the university may "withhold permission to register; to use facilities for which a fee is authorized to be charged; to receive services, materials, food, or merchandise or any combination of the above from any person owing a debt" until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381). For example, Humboldt may withhold permission to receive official transcripts of grades from any person owing a debt.

Prospective students who register for courses offered by the university are obligated for the payment of fees associated

with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

Humboldt may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge the student actual and reasonable collection costs, including reasonable attorney fees if litigation is necessary, in collecting any amount not paid when due.

If a person believes he or she does not owe all or part of an asserted unpaid obligation, that person may contact Student Financial

Services 707-826-4407, who will review all pertinent information provided by the person and available to the campus and will advise the person of its conclusions.

Refund of Mandatory Fees, Including Nonresident Tuition Fee.

Regulations governing the refund of mandatory fees, including nonresident tuition, for students enrolling at the California State University are included in Section 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those systemwide and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University. Refunds of fees and tuition charges for self-support, special session, and extended education programs or courses at the California State University are governed by a separate policy established by the University, available at Student Financial Services.

Schedule of Fees

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fee, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the President, as appropriate.

The following reflects estimated applicable fees for the 2012-2013 academic year. (Fees are subject to change by the CSU.) Costs do not include summer attendance.

Professional Program Fee

The Professional Program Fee is charged at a rate of \$278 per semester unit for students in the Master of Business Administration (MBA) program. The fee is charged in addition to the Tuition Fee, campus registration fees, and applicable nonresident tuition fees.

Nonresident Students (U.S. and International): In addition to other fees charged all students, there is a nonresident tuition fee charge of \$372 per course unit. The total nonresident tuition fee paid per term will be determined by the number of units taken. Mandatory systemwide fees are waived for those individuals who qualify for such exemption under the provisions of the California Education Code (see "Fee Waivers").

Credit Cards: Master Card, Discover, and American Express credit cards may be used for payment of fees through a third party vendor on the Web.

In order to receive a full refund of mandatory fees, including nonresident tuition fees, a student must cancel registration or drop all courses prior to the first day of instruction for the term. Information on procedures and deadlines for canceling registration and dropping classes is available online and from Student Financial Services.

For state-supported semesters, quarters, and non-standard terms or courses of four weeks or more, a student who withdraws during the term in accordance with the university's established procedures will receive a refund of mandatory fees, including nonresident tuition fees, based on the portion of the term during which the student was enrolled. No student withdrawing after the 60 percent point in the term will be entitled to a refund of any mandatory fees or nonresident tuition fees.

For state-supported non-standard terms or courses of less than four weeks, no refunds of mandatory fees and nonresident tuition fees will be made unless a student cancels registration or drops all classes prior to the first day in accordance with the university's established procedures and deadlines.

Students will also receive a refund of mandatory fees, including nonresident tuition fees, under the following circumstances:

- The fees were assessed or collected in error;
- The course for which the fees were assessed or collected was cancelled by the university;
- The university makes a delayed decision that the student was not eligible to enroll in the term for which mandatory fees were assessed and collected and the delayed decision was not due to incomplete or inaccurate information provided by the student; or
- The student was activated for compulsory military service.

Registration fee refunds for Cal Grant recipients may be returned to the California Student Aid Commission (CSAC) per state regulations: California Education Code 69532 (a); Institutional Participation Agreement, Article V.B.; Cal Grant Manual, Chapter 8, page 20, November 2005.

Students who are not entitled to a refund as described above may petition the university for a refund (within six months of the term to which the refund would apply) demonstrating exceptional circumstances. The chief financial officer of the university or designee may authorize a refund if he or she determines that the fees and tuition were not earned by the university.

Information concerning any aspect of the refund of fees may be obtained from Student Financial Services, SBS 257, 707-826-4407.

Determination of Residency for Tuition Purposes

University requirements for establishing residency for tuition purposes are independent from those of other types of residency, such as for tax purposes, or other state or institutional residency. These regulations were promulgated not to determine whether a student is a resident or nonresident of California, but rather to determine whether a student should pay university fees on an in-state or out-of-state basis. A resident for tuition purposes is someone who meets the requirements set forth in the Uniform Student Residency Requirements. These laws governing residency for tuition purposes at the California State University are California Education Code sections 68000-68090, 68120-68134, and 89705-89707.5, and California Code of Regulations, Title 5, Subchapter 5, Article 4, sections 41900-41916. This material can be viewed on the Internet by accessing the California State University's website at www.calstate.edu/GC/resources.shtml.

Each campus' Admissions Office is responsible for determining the residency status of all new and returning students based on the Application for Admission, Residency Questionnaire, Reclassification Request Form, and, as necessary, other evidence furnished by the student. A student who fails to submit adequate information to establish eligibility for resident classification will be classified as a nonresident.

Residency status for an applicant is based on the length of physical presence and demonstration of intent to remain in California indefinitely. Residency status for a nonresident student requesting reclassification as a resident is based on the length of physical presence, demonstration of intent to remain in California indefinitely, AND financial independence. In depth information and the various residency forms are available on Humboldt's residency website at www.humboldt.edu/admissions/apply/eligibility/residency.html.

Generally, for both applicants and nonresident students seeking reclassification, establishing California residency for tuition purposes requires a combination of physical presence and intent to remain indefinitely. An adult who, at least one full year prior to the residence determination date for the term in which enrollment is contemplated, can demonstrate

both physical presence in the state combined with evidence of intent to remain in California indefinitely may establish California residency for tuition purposes. A minor normally derives residency from the parent(s) they reside with or most recently resided with.

Evidence demonstrating intent may vary from case to case but will include, and is not limited to, the absence of residential ties to any other state, California voter registration and voting in California elections, maintaining California vehicle registration and driver's license, maintaining active California bank accounts, filing California income tax returns and listing a California address on federal tax returns, owning residential property or occupying or renting an apartment where permanent belongings are kept, maintaining active memberships in California professional or social organizations, and maintaining a permanent military address and home of record in California.

Nonresident students seeking reclassification are also required to complete a supplemental questionnaire that includes questions concerning their financial dependence on parents or others who do not meet University requirements for classification as residents for tuition purposes. Financial independence is required, along with physical presence and intent, to be eligible for reclassification. The criteria used to determine financial independence for residency reclassification for tuition purposes, is different than that used for financial aid or other purposes. Refer to Humboldt's residency website for detailed information at www.humboldt.edu/admissions/apply/eligibility/residency.html.

Non-citizens establish residency in the same manner as citizens, unless precluded by the Immigration and Nationality Act from establishing domicile in the United States.

Exceptions to the general residency requirements are contained in California Education Code sections 68070-68084 and Title 5 of the California Code of Regulations, Title 5, Subchapter 5, Article 4, sections 419006-419106.5, and include, but are not limited to, members of the military and their dependents, certain credentialed employees of school districts and most students who have attended three years of high school in California and graduated or attained the equivalent. Whether an exception applies to a particular student cannot be determined before the submission of an application for admission and, as necessary, additional supporting documentation. Because neither campus nor Chancellor's Office staff may give advice on the application of these laws, applicants are strongly urged to review the

material for themselves and consult with a legal advisor.

Residency determination dates are set each term. For Humboldt, they are September 20 for fall, and January 25 for spring.

Students classified as nonresidents may appeal a final campus decision within 120 days of notification by the campus. A campus residency classification appeal must be in writing and submitted to: The California State University; Office of General Counsel; 401 Golden Shore, 4th Floor; Long Beach, CA 90802-4210.

The Office of General Counsel can either decide the appeal or send the matter back to the campus for further review. Students incorrectly classified as residents or incorrectly granted an exception from nonresident tuition fees are subject to reclassification as nonresidents and payment of nonresident tuition fees in arrears. If incorrect classification results from false or concealed facts, the student is also subject to discipline pursuant to Section 41301 of Title 5 of the California Code of Regulations.

Resident students who become nonresidents or who no longer meet the criteria for an exception must immediately notify the Admissions Office. Changes may have been made in the rate of nonresident tuition fees and in the statutes and regulations governing residency for tuition purposes in California between the time this information is published and the relevant determination date. Students are urged to review the statutes and regulations stated above.

Financial Aid

Humboldt State recommends early application for financial aid, as some types of aid are extremely limited and/or have deadlines.

Parents are expected to provide for their dependents' education in accordance with nationally recognized standards. In addition, students are expected to use part of their savings and employment earnings to help meet expenses.

You may apply for aid via FAFSA online at www.fafsa.gov; remember to file for your electronic PIN code for FAFSA and also have your parents apply for a PIN code, if needed for signatures.

Deadlines. File the Free Application for Federal Student Aid (FAFSA), and list Humboldt (our school code is 001149) as a school choice to be considered for all federal aid, state grants, and scholarships administered by the Financial Aid Office. New Cal Grant applicants also need to obtain and

file the required Cal Grant GPA Verification form. To be considered for a scholarship or grant, both forms must be filed by March 2 for the 2012-2013 FAFSA, although applicants are advised to file as soon as possible after January 1.

Types of Aid

The answers to most general questions about assistance programs, application procedures, and financial aid services are available on the Financial Aid website at www.humboldt.edu/finaid. You may access your personal financial aid award information online at your Student Center. If you have further questions, Intake Advisors are available during regular work hours at 707-826-4321 or toll free at 866-255-1390, or you may also fax Financial Aid at 707-826-5360. You can also email to finaid@humboldt.edu. Most fax and email inquiries are treated like incoming mail, with an expected reply turnaround time of two to four weeks.

A partial list of aid sources follows:

Federal Pell Grants. All undergraduates filing for aid are considered for this grant, based on financial need. This federal grant helps students who have not yet earned a bachelor's degree.

Federal College Work Study. Need-based funding for part-time jobs on or off campus.

Federal Perkins Loans. Low-interest loans (currently 5%) awarded to students based on financial need. Students begin to repay these loans once they are enrolled less than half-time.

Federal Supplemental Educational Opportunity Grants. Awarded to a limited number of undergraduates.

Educational Opportunity Program Grants. Economically and educationally disadvantaged undergraduates may qualify for this state-funded program. Recipients must be enrolled in Humboldt's Educational Opportunity Program.

State University Grants. State-supported, awarded to California residents with financial need. You must be classified as a California resident for fee purposes to be eligible for this grant. Fee waivers can affect eligibility for this grant.

For the following types of financial aid, students might need to fill out additional application forms. Contact Humboldt's Financial Aid Office, 707-826-4321, for information and applications.

Federal Direct Loans. Long-term federal loans available to students and the parents of dependent students. Interest rates are

variable and adjusted each year on July 1. The current maximum interest rates are 6.8% for students, 8% for parents. Repayment and deferment plans vary. For comprehensive information, contact the Financial Aid Office.

Cal Grants A and B are state grants awarded by the California Student Aid Commission to California residents. Cal Grants A and B are for undergraduates.

TEACH Grant. Through the College Cost Reduction and Access Act of 2007, Congress created the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program that provides grants of up to \$4,000 per year to students who intend to teach in a public or private elementary or secondary school that serves students from low-income families. Currently, the TEACH Grant is only available to credential students. For detailed information about the TEACH Grant, go to studentaid.ed.gov/students/attachments/sitesources/TEACHGrant.pdf. If, after reading all of the information on the fact sheet, you are interested in learning more about the TEACH Grant Program, please contact the Financial Aid Office to schedule an appointment with a financial aid counselor.

Bureau of Indian Affairs Grants and Tribal Scholarships. American Indians who qualify may receive federal grants funded by BIA or their tribal agencies. Interested students should contact their Tribal Education Office for tribal scholarship and BIA Higher Education Grant applications. Financial aid recipients must report these educational grants as resources.

Humboldt State Short-Term Loans range from \$50 to \$500; generally, must be repaid within ten weeks.

Humboldt State Scholarships

Financial Aid Office Scholarships. Financial Aid awards scholarships, averaging \$800, primarily on the basis of need. Other donor interests, such as community of residence, may be factors in determining recipients.

All students who file a Free Application for Federal Student Aid by March 2, and who list Humboldt State as a recipient, will be considered for scholarships. Financial Aid measures academic achievement by grade information obtained from the Office of the Registrar.

Estimated Cost of Attendance

The following estimates for 2012-2013 include the 9% increase in the CSU Tuition Fee approved by the CSU Board of Trustees in November of 2011; summer attendance costs are not included. Fees are based on 6.1 or more units per semester. The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

$$12 \text{ units} \times 2 \text{ semesters} = 24 \text{ units} \times \$372 \text{ per unit} = \$8,928 \text{ nonresident fees}$$

$$\text{Undergraduates: } \$8,928 \text{ nonresident fees} + \$23,878 \text{ attendance costs} = \$32,806 \text{ per year cost of attendance}$$

$$\text{Graduates: } (9 \text{ units}) \$6,696 + \$25,262 = \$31,958 \text{ per year cost of attendance}$$

Nonresident tuition may be paid in three equal installments, due 30, 60, and 90 days into the semester. The service fee is 12% for each installment payment. Students whose aid eligibility does not seem satisfactory, or who have questions, should make an appointment with a financial aid counselor.
