Student Financial Services
Student Financial Services is the central location for cashiering and financial aid accounting services to students.

Cashiering services include the receipt and deposit of all funds received on behalf of the university. Activities include assisting students with the registration process as well as providing the campus community with information related to payment and refund deadlines and procedures. Other responsibilities include distribution of payroll warrants and sale of parking permits.

Financial Aid Accounting services include the disbursement of all financial aid and short-term loans awarded by the university. In addition, the department oversees the Perkins Loan program. Student Financial Services also has collection responsibility for the university's accounts receivable.
