

CERTIFICATES OF STUDY

Certificates of study are collections of courses in subjects other than those in which majors or minors are offered. A certificate of study is not the same as a teaching certificate, a credential, or a license.

Art Museum & Gallery Practices

Courses provide preparatory experience for working in art museums and commercial galleries, or pursuing graduate studies in the museum field. Study issues and topics related to museum and gallery operations and practice curatorship, registration, exhibition design and art preparation firsthand through production of actual art exhibitions for the on-campus Reese Bullen Gallery, Goudi'ni Gallery, and in local museums and galleries off campus. This certificate may be of particular interest to students majoring in art, anthropology, history, education, Native American studies, education, or business administration. For more information, call 707-826-3624.

Bioinformatics

This interdisciplinary program exposes biology, biochemistry, computer science, fisheries, math, and wildlife students to bioinformatics tools and their applications, and provides them hands-on experience in practicing those skills. Students earning this certificate become more competitive for entry into master's and Ph.D. programs and for jobs in the biotech and pharmaceutical industries. For information, contact the Department of Biological Sciences, 707-826-3245.

Environmental Education & Interpretation

Develop basic skills for careers in natural resources interpretation and public information. Contact the Department of Environmental Science & Management, 707-826-4147, or go to www.humboldt.edu/environment/programs/certificates.

Environmental & Natural Resources Planning

An overview of effective participation in multidisciplinary planning activities. Contact the Department of Environmental Science & Management, 707-826-4147, or go to www.humboldt.edu/environment/programs/certificates.

Geospatial

This online certificate program provides foundational concepts and methods in GIS, remote sensing, and cartography that are transferable and relevant across disciplines and industries. The classes are offered online through the College of eLearning & Extended Education. For more information or to complete an application, please call 707-826-3731 or visit <http://www.humboldt.edu/gspcert>.

Institutional Research

This post-baccalaureate online certificate program is for students and entry level career professionals to explore the discipline of institutional research (IR). It provides an introduction to the field of Institutional Research and forms a solid base of foundational knowledge for those interested in pursuing a career in IR. Two prerequisite graduate courses are required to enter the program: Research Methods, and Statistics. These can be taken through any accredited graduate program. Three courses are required to complete the certificate: Introduction to Institutional Research, Applied Research, and Diversity in Institutional Research. Because this program is offered through eLearning and Extended Education, no financial aid is available. The certificate is administered by the Institutional Research and Planning Office and is housed in the Department of Psychology, and administered through the Office of the College of eLearning and Extended Education. For more information or to complete an application, please call 707-826-5338 or visit the certificate program website at www.humboldt.edu/ircertificate.

Journalism

Prepare for a career in news, public relations, broadcasting, or another job within the mass media or related fields. Contact the Department of Journalism and Mass Communication, 707-826-4775.

Natural Resources Policy & Administration

Aimed at students seeking positions at advanced managerial levels in agencies and corporations responsible for managing natural resources. Contact the Department of Environmental Science & Management, 707-826-4147, or go to www.humboldt.edu/environment/programs/certificates.

Wildland Fire Management

Curriculum is designed for those wishing to enhance or upgrade knowledge and skills in fire ecology, management of wildland fuels, prescribed fire, and fire behavior. Students can supplement previously taken college courses to help qualify for employment with various agencies and companies that manage wildlands. This program is specifically designed to help students to partially meet the educational requirements for the GS-401 Fire Management Specialist job series. For information, contact the Department of Forestry and Wildland Resources, 707-826-3935.

Women's Studies

Helps expand knowledge and experience in a particular area of women's studies. This certificate can be particularly useful for those entering careers in counseling, psychology, social work, health care, or teaching. Contact the Department of Critical Race, Gender, and Sexuality Studies. 707-826-4329.
