**The Program**

The Liberal Studies Elementary Education program provides focused, hands-on university coursework aligned with clinical practice in elementary schools that allows undergraduate students who complete the Integrated Credential Pathway to earn a bachelor's degree, and to be recommended for a Multiple Subject Credential in four years. A Non-Integrated Pathway is available for students who wish to earn a bachelor's degree only.

Students completing this program will have:

- demonstrated an ability to work effectively with diverse students, parents, colleagues, staff, and others in the community;
- developed and maintain safe, positive, and productive educational environments;
- used research-based practice to inform their work;
- demonstrated a coherent theoretical framework of learning and human development that supports reflection on their practice;
- collaborated on efforts to improve education opportunities for all students.

Additionally, candidates in the LSEE Program acquire the knowledge, skills, experiences, and perspectives necessary to:

- demonstrate subject matter content knowledge aligned to the California K-8 Content Standards in Language Arts, Mathematics, Science, History /Social Science, Health, Physical Education, and the Visual and Performing Arts as outlined in the Standards of Program Quality and Effectiveness for the Subject Matter Requirement for the Multiple Subject Teaching Credential
- apply pedagogical content knowledge to teach specific subjects clearly and knowledgeably and to effectively integrate pedagogical

content knowledge and skill across disciplines in lesson design and implementation.

The carefully sequenced academic plan provides:

- excellent preparation to teach elementary school subjects including Language Arts, Mathematics, Science, History /Social Science, Health, Physical Education, Visual and Performing Arts
- courses that focus on 21st century teaching approaches
- a series of structured classroom experiences with students from kindergarten to 8th grade
- dedicated faculty and advisors
- support to complete university and credential requirements including subject matter competency

*Students need to complete the Livescan finger print clearance, tuberculosis, and rubella clearance to participate in the clinically based LSEE classes that begin in the freshman year.*
