These Student/Faculty ratios are based on census FTES and FTEF. The FTEF source (CDPS Course Section Report) reflects where faculty taught rather than where they were appointed. Thus, these ratios indicate the actual instructional experience in each subject area. See the footnote on the FTEF summary for more information.

**\*Note:**

These Student/Faculty ratios are based on census FTES and FTEF. The FTEF source (CDPS Course Section Report) reflects where faculty taught rather than where they were appointed. Thus, these ratios indicate the actual instructional experience in each subject area. See the footnote on the FTEF summary for more information.
