Fall 2015 Grades

Grades Due from Faculty: To the Office of the Registrar by 11:59 p.m., Tuesday, Dec. 22, 2015

Grading Process Completed: Thursday, January 7, 2016 (estimated)

After the final grade submission date of December 22, it takes approximately six business days to “finalize” grades. This includes running such processes as repeats, presidential scholars, incompletes, and academic standing; there are many additional processes that must run to make grades official. During this window, students may be able to see grades appear via Student Center as we begin the grade posting process, but grades are not considered official, official transcripts cannot be released, and degree awarding cannot begin until after the grading process has been finalized. Due to the campus closure of Dec. 25, 2015 through Jan. 1, 2016, the estimated finalized date for the Fall 2015 term is Thursday, Jan. 7, 2016.

Fall 2015 Degrees/Diplomas

Once grades have been finalized (see “Fall Term, 2015 Grades” above), the process of clearing degrees can begin. It takes about 6-8 weeks to clear the approximately 600 students eligible for graduation this term. Once the degree has posted, it will immediately appear on both official and unofficial transcripts while the diploma is processed. Diplomas are printed and mailed approximately three weeks after the degree is cleared/posted, beginning in February and continuing through late March.
