The cost for other types of prints (color, large format) vary. This charge helps us conserve resources, reduce waste, and provide an equitable way for students to pay for printing.

*The C-Card (Convenience Card) is your HSU student, faculty, or staff ID card. It can be used as an on-campus debit card by adding funds at the HSU Bookstore, Library, the Housing and Dining Cashier’s Office, or online at the c-card website. Other fees and charges are payable when service is rendered and may not be listed here. All listed fees are subject to change.

FEE PAYMENT DEADLINE
Preregistered students must pay their fees by 5:00 p.m., May 16, 2016, or a HOLD will be placed on their account and a student’s classes may be subject to cancellation. (See Cancellation for Nonpayment.)

CONTACT INFORMATION

Because of the need for the university to communicate with you, it is extremely important that you check your address, telephone number, and email address for accuracy. You can check your addresses and change them if needed by accessing the campus portal at www.humboldt.edu/myhumboldt. It is also important for you to notify the university if your plans to attend have changed. Effective Fall 2009, the university has an email policy that all students must follow.

FINANCIAL AID RECIPIENTS

SUMMER FINANCIAL AID is very limited. The Financial Aid Office will be unable to process summer 2016 applications and determine your aid eligibility until after June 1. Because summer fees are due prior to that, you should be prepared to pay your summer fees out-of-pocket, with the hope of financial aid reimbursement later in the summer.

Summer aid information will be posted at www.humboldt.edu/finaid in April 2016.

If you have any questions, Financial Aid Specialists are available to assist you during regular work hours at 707-826-4321 or toll free at 866-255-1390.

If you have loan eligibility remaining for the 2015-16 academic year, we encourage you to apply for it now, by submitting a 2015-16 loan application, located on the forms page on our website: www.humboldt.edu/finaidforms.

You may access your financial aid award information, including document requirements, messages, holds and awards online at: www.humboldt.edu/myhumboldt.

Please Note the Following

- Read the Financial Aid Award Guide to understand your rights and responsibilities regarding financial aid.
- Failure to meet your satisfactory academic progress requirements for financial aid may result in a hold on your funds, and they will not disburse. Contact the Financial Aid Office if you have any questions about your status.
- If your registration fees are being deferred from your aid, and for ANY REASON this aid fails to materialize as expected by the end of late registration, you must pay your registration fees from other sources.
- If your financial aid award exceeds the amount due for registration fees, a balance will be remitted to you either by check or electronic funds transfer. CHECKS ARE NO LONGER MAILED, and may be picked up at Student Financial Services (SBS 285). If you have not yet enrolled in direct deposit of financial aid and general refunds, we encourage you to do so via your Student Center, under “Finances.”
- If you withdraw from the university, drop all units, or cease attendance, a portion of your financial aid may be considered unearned and must be returned to the program. You will be billed for any unearned financial aid and resulting unpaid university charges.

FEE PAYMENT BY OUTSIDE AGENCY / THIRD PARTY

If your fees are paid by an outside agency such as Dept. of Rehabilitation, Vocational Rehabilitation, etc., you must contact Student Financial Services and provide the appropriate authorization from the outside agency (or verify that the paperwork is on file) by 5:00 p.m., Monday, May 16, 2016. If your authorization does not cover the amount owed, you must remit the balance due by the payment deadline.

If you are a financial aid recipient, you must also report any third party payment for fees or other coverage (books, transportation, etc.) to the Financial Aid Office.

FEE WAIVERS

Matriculated students may be eligible for fee waivers for MBA and Geology field camp courses.

If you are receiving a fee waiver (Alan Pattee, Cal-Vet dependents, foreign tuition, staff fee waiver, etc.), you must submit appropriate waiver documents to Student Financial Services, or Human Resources Office in the case of faculty or staff, by 5:00 p.m., Monday, May 16, 2016. If your fee waiver does not cover your registration fees, you must remit the balance due by 5:00 p.m., Monday, May 16, 2016.

If you are a financial aid recipient, you must also report any fee waiver to the Financial Aid Office.

INSTALLMENT PAYMENT PLAN FOR TUITION FEE AND NONRESIDENT TUITION

Installment payments are authorized for the Tuition Fee and nonresident tuition. Legislation requires the assessment of an administrative fee to reimburse the university for all costs associated with the installment payment plans, including but not limited to bad debts and interest income lost to the State of California.

Eligibility

Students in good financial standing with the university can participate in the Installment Payment Plan. Students with outstanding financial obligations must pay those obligations before or at the time of each installment payment. Students who have defaulted on an installment plan will lose their privilege of the Installment Payment Plan.

Penalties

Students who fail to make an installment payment are subject to a $30.00 non-refundable late payment fee for each missed deadline, and a hold placed on the student’s account. The student will be required to meet with a financial counseling group.

Reducing Unit Load

See Calendar of Activities & Deadlines.

Students will receive a refund of registration fees under the following circumstances:

- the registration fees were assessed or collected in error;
- the course for which the registration fees were assessed or collected was cancelled by the university;
- the student was activated for compulsory military service.

Students who are not entitled to a refund as described above may petition the university for a refund demonstrating exceptional circumstances, and the chief financial officer of the university (or designee) may authorize a refund if he/she determines that the fees and tuition were not earned by the university.

Financial Aid Recipients: If you drop units or cease attendance, a portion of your financial aid may be considered unearned and must be returned to the program. You will be billed for any unearned financial aid and resulting unpaid university charges.

Students who receive financial aid shall have all refunds returned to the financial aid program in the order specified in the complete refund policy available from Student Financial Services, Student Business Services Building, Humboldt State University.

Registration Fee Refunds

A student who withdraws from the university, or drops to a lower fee category (schedule adjustments), may be eligible for a refund of institutional charges, e.g. registration fees.

Schedule Adjustments:

Students who change their unit load to a lower fee category must do so prior to the first day of classes in order to receive a refund, less a $10.00 administrative charge.

For classes that meet for 5 or more weeks, students who drop once the class begins will be eligible for the following refund of registration fees:

- First two days of class: Total fee minus the fee for one unit
- Any other day of the first week: (Total fee minus the fee for one unit) x 65%
- Any day of the second week: (Total fee minus the fee for one unit) x 25%
- After second week: NO REFUND

For classes that meet for less than 5 weeks, contact the College of eLearning & Extended Education for refund information.

See Calendar of Activities & Deadlines for important dates.

Withdrawal from Humboldt:

To receive a full refund of fees (less a $10.00 administrative charge), students must withdraw from all classes prior to the start of classes.

Miscellaneous Course Fees Refund

Miscellaneous course fees may be fully refundable if the associated class is dropped prior to the start of classes except where funds have been obligated for goods or services. Students who have paid course fees, but who used none of the associated materials, services, or facilities, may petition for a refund beginning the last week of the class session. Refund applications (HSU Form 128) require the signature of the instructor and appropriate department chair prior to submission of the application to Student Financial Services.

DEBTS OWED TO THE INSTITUTION

Holds are placed on student accounts for the following reasons:

1. Monetary/Financial – fees or monies owed to the university, such as registration fees, housing charges, library fines, dishonored checks, Extended Education fees, lost key charges, etc.
2. Non-monetary – exit interviews for Perkins loans, Plant Operations keys, etc.

These holds will prevent you from registering, receiving grades and transcripts, etc. Information about holds on your account can be obtained by accessing your student account on the web. You will need to allow one business day after clearing a hold, before attempting to register or receive other services.

Failure to pay fees or debts incurred by specified due dates may result in collection action, including collection agency referral and/or small claims court, where you will be responsible for all applicable collection and/or court costs.
SCHEDULE ADJUSTMENTS & DEADLINES

ACCEPtANCE OF CHECKS
In order to insure proper credit for payment to your account, please place your HSU-ID number on mailed payments or paperwork.

Dishonored Checks
In accordance with the State Administrative Manual, Section 8023, all persons who have issued a check or an e-check to the university that was dishonored by the bank may be required to make all further payments by cash, certified check, cashier’s check, or money order. In addition, students may be liable for punitive damages allowable through the California Civil Code, Chapter 522, Section 1719, which states that the maker of a dishonored check can be held liable for three times the amount of the check, or $100.00, whichever is more, up to $500.00, plus the face value of the check and court costs. There is a $25.00 fee for all returned checks and e-checks, including “stop payments.” Students issuing dishonored checks in payment of registration fees may be subject to disenrollment, per California Administrative Code Title V, Section 42381. Students who are disenrolled must reapply for admission to the university. In addition, there may be a $25.00 late registration fee charged if the returned check was made in payment of registration fees.

Failure to pay correct fees, payment of fees by dishonored check and/or failure to attend classes will not qualify a student for refund credit or remove the student’s obligation for full payment of fees. Students who wish to drop from classes or withdraw from the university must follow the correct procedure.
